50cc Fever Fest returns to the 40th Biker Fest International

In Lignano Sabbiadoro the 50cc Fever Fest will take visitors back to the 1980s and 1990s with mopeds, tuned Ciaos, and customized Vespas. Pure fun guaranteed!

From May 14 to 17, 2026, the **50cc Fever Fest** returns to **Lignano Sabbiadoro (UD)**, the event celebrating the generational myth of the legendary “cinquantini” and the passion for iconic two-stroke engines. The event will be part of the rich program of the 2026 edition of **Biker Fest International**, which this year celebrates its **40th anniversary**. For four days, the **Market Area** near the Guido Teghil Stadium will dive back into the 1970s, 1980s, and 1990s with mopeds, scooters, and 2-stroke machines, surrounded by the unmistakable scent of 2% fuel mix. Enthusiasts from all over Italy are expected, with confirmed attendance also from Switzerland and neighboring countries.

Among the special guests will be **YouTubers and influencers** Michele Doia, Massimo Pazzaglini, and Simone Barcarolo, all highly popular within the **moped and tuning community**. Leading industry **brands and custom-parts manufacturers** such as **Carbon Italy**, **3D Special**, and **Pinasco** will also be present. Great curiosity surrounds the technicians from **MDM Marmitte**, the Tuscan company specialized in exhaust systems and motorcycle accessories, who will build custom exhausts live in front of the audience.

Several schools will also take part in the 50cc Fever Fest, including the CNOS-FAP “Bearzi” of Udine and the ENAIP institutes of Trieste and Udine. Students will showcase their creations and participate in road safety courses led by instructors from the **italian Police**.

The program includes contests dedicated to **customization**, as well as horsepower battles on the **dynamometer run** by Team Sassin, alongside activities focused on restoration and tuning. There will also be a large **swap meet** for used parts, a key attraction for collectors and enthusiasts searching for spare parts and rare components.

Among the most anticipated highlights is the **Cinquantini Parade**, scheduled for Saturday at 2:30 PM through the streets of Lignano Sabbiadoro, as well as a **food-and-wine tour** through the countryside, including a stop at Tenuta Baccichetto for a tasting session.

The 50cc Fever Fest is a **free-entry event** dedicated not only to those who grew up riding the beloved old mopeds, but also to a new generation of enthusiasts ready to rediscover those emotions. Full information is available at the following [link](#).
