

THE 37th BIKER FEST INTERNATIONAL // 18th – 21st MAY 2023

LIGNANO SABBIAORO (Udine) ITALY

Biker Fest International celebrates in 2023 its **37th edition** from the **18th to the 21st of May in Lignano Sabbiadoro (Udine)**, as "**The Largest and Spectacular Biker Event in Europe**"!

The **Custom soul**, for over 36 years, has been gathering hundreds of thousands of fans and it remains the right opportunity to offer guests the best international customizers.

The wonderful seaside city of Lignano Sabbiadoro (in the north-east of Italy) still submits the hospitality, at one of the most beautiful beaches and loved by tourists, as well as the ideal place to enjoy one of the first weekends before summer time.

One of the most important characteristics of the largest outdoor event in the World (**1st in Europe**), is the **free entrance to all the 5 city areas of the event**. The different locations allow visitors to observe and live personally the activities. The event is a pioneer of Custom culture in Italy and in Europe: the Custom and Biker movement is linked together by a ten-year blood pact.

One of the most followed event during the Biker Fest International is the "**Saturday Light Parade**" through Lignano Sabbiadoro streets, that sees more than thousands of bikers with their fantastic lights.

Milestone of the event is the **first historic Custom Bike Show in Europe** (since 1987, after Norrtelje), the exclusivity of the only date of the **Custom Bike Show "AMD Championship"** in Italy and the Final of the **15 dates of the Custom Bike Show IMC (Italian Motorcycle Championship)** where are exposed the most beautiful and unique bikes in Europe; there are prizes of **€10,000** with 4 reimbursements of €1,000 each one.

The BFI presents many attractions: a **7 km** area dedicated to **Off Road**, the **Moto Tours** to discover the beauty of Friuli Venezia Giulia Region, **Globe Trotters** experiences, **Demo Ride** with the Official Motorcycle Brands... and even **rock music** with over **12** live concerts, a **Pin Up Contest** with spicy performers and much more, such as **15 different ethnic cuisines**, to suit all tastes.

The **Stadium Area** remains the focus for the **Demo Rides** with the **Official Motorcycle Brands** that annually bring all new models for **free Test Rides (4,000** in the last edition).

You could also live your great passion for **V8 engines**, taking part to the **28th U.S. Car Reunion** (the most historic Italian meeting of U.S.A. cars): it's the fantastic end of the event and brings on the streets of Lignano more than **400 American cars**, with their unique stylistic details.

To follow the line of green mobility, the **e-Mobility Village** Area proposes the great electric sector giving participants the opportunity to test for free **2 and 4 Electric and Hybrid vehicles**.

Follow the final program on social media and on the website.

We are waiting for you from the 18th to the 21st of May 2023 in Lignano Sabbiadoro (Udine - Italy) for 4 days of Fun, Fun, Fun & more Fun!
